"The Night Has a Thousand Eyes"
by Francis William Bourdillon

The night has a thousand eyes,
And the day but one;
Yet the light of the bright world dies
With the dying sun.

The mind has a thousand eyes
And the heart but one;
Yet the light of a whole life dies
When love is done.

Well, Lyvea has been with us for a few issues now and the response from many of the avid readers of *Your Stars* magazine seems to be very positive indeed! We have received frequent comments about the accuracy of Lyvea's astrology, in addition to the beautiful way in which she seems to effortlessly write her predictions each season.

Check out Rhonnda's article this issue about her trip to Egypt. It will make you feel like you almost went along with her! Failing that, it will make you feel like hopping on a plane headed for Egypt! Not to mention the fact that the photos that accompany her words are stunning.
