### As One Thinks

normally \$23.95 **by email \$8.95**

Written in the early 1900s by the philosopher James Allen, it is talked about by famous people from all over the world to this very day. In fact many highly successful people call it their favourite book of all time. It is the undisputed classic book on the understanding of your mental powers, understanding the workings of manifesting your desires. The words you will hear are simple and beautiful, making it an extremely powerful book. You can achieve anything in your life, especially when you let this knowledge be embedded into your consciousness. Master the fundamental laws of the mind and its influence over your future!

### How To See Aurals

normally \$23.95 **by email \$8.95**

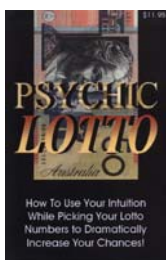

Believe it or not, you could be seeing the first "glowing" level of the aura around people, animals and objects within an hour of starting to read this book. This book works. We are not postulating this claim. We know it for a fact. Since being published in 2000 we've had many people telling us in letters and over the phone that they saw an aura for the first time as an outcome of reading this short book. We are now absolutely sure about its merit. You will be stunned at how simple it really is, when you have a teacher that sees auras every day without even thinking about it.

### The Book Of Happiness

normally \$23.95 **by email \$8.95**

What is the secret of happiness? What is the source of happiness? How can you attract an endless flow of joy and personal prosperity? Find some answers to the biggest questions you will ever pose to yourself in your lifetime. Every point that is made throughout the six chapters is always immediately followed by a powerful quotation from a famous person. So a point is made, then comes the quote to back it up and illustrate the point further. Therefore, you could say that it combines some of the most respected and greatest minds in history into an investigation of happiness. Due to this unusual style, it is a truly entertaining book.

### Intuitive Lotto

normally \$29.95 **by email \$9.95**

Picking numbers at random is pointless. The odds are usually 1 in 8 million at least. Use the intuitive part of your mind to access the correct sequence of numbers. Don't believe it is possible? Well, you'll prove yourself right! Why is it one of our most popular products? A man from Brisbane has proven psychic power can work - he's won 7 million total so far, in both large and small wins. Learn how you can use your intuitive faculties while choosing your numbers. Why not unlock the psychic part of your mind and put it to a practical use? Stop guessing! Interesting and fun.

### Learn How To Astral Travel

normally \$39.95 **by email \$9.95**

No theory or history, just practical teachings that will show you how to do it. And you don't need to pay thousands of dollars for "remote viewing" courses. You will learn the techniques and knowledge you will require to develop the ability to astral travel. You do not need to be a genius, you only need the understanding of how it works. It's not too many steps beyond your normal dreaming at night. It's easy to astral travel once you know one single factor. Find out how to control objects astrally and influence physical events and even people. Use energy instead of being a victim of it.
